**Strategic Resources Closes Final Tranche of Subscription Receipts**

**Vancouver, British Columbia – Strategic Resources Inc. (TSXV:SR)** (the "Company" or "Strategic") is pleased to announce it has closed the final tranche of its \$13.5 million subscription receipts financing announced on December 13, 2022. The \$4.3 million final tranche represents Investissement Québec's portion of the financing.

In addition, the Company has received TSX Venture Exchange conditional acceptance of the reverse takeover transaction announced on December 13, 2022 involving the Company's acquisition of BlackRock Metals Inc.

**Offering Details**

Strategic issued a total of 27,000,000 subscription receipts ("Receipts") at \$0.50 per Receipt for gross proceeds of \$13,500,000. Each Receipt will automatically convert to one pre-consolidated common share of the Company on closing of the Company's acquisition of BlackRock Metals Inc. The Company plans to use the net proceeds from the Receipts to advance BlackRock Metals Inc. to a construction decision, continue permitting and pre-feasibility study work at Mustavaara, and for general corporate purposes.

All prices and amounts are on a pre-consolidated basis. All securities issued in the Receipt offering will be subject to a statutory hold period of four months and one day from the date of issuing the respective Receipts.

**About Strategic Resources**

Strategic Resources Inc. (TSXV:SR) is a Vancouver, Canada-based mineral exploration and development company focused on vanadium projects in Finland. The Company is primarily focused on its flagship Mustavaara vanadium-iron-titanium project in Finland. The Company is currently in the process of closing the acquisition of BlackRock Metals Inc.

*Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*

*Completion of the acquisition of BlackRock Metals Inc. is subject to a number of conditions, including but not limited to, TSXV acceptance and if applicable, disinterested shareholder approval. Where applicable, the transaction cannot close until the required shareholder approval is obtained. There can be no assurance that the transaction will be completed as proposed or at all.*

*Investors are cautioned that, except as disclosed in the filing statement prepared in connection with the transaction, any information released or received with respect to the transaction may not be accurate or complete and should not be relied upon. Trading in the securities of Strategic should be considered highly speculative. The TSXV has in no way passed upon the merits of the proposed transaction and has neither approved nor disapproved the contents of this news release.*

**Cautionary Note Regarding Forward-Looking Information**

*Certain statements and information herein, including all statements that are not historical facts, contain forward-looking statements and forward-looking information within the meaning of applicable securities laws. Such forward-looking statements or information include but are not limited to statements or information with respect to (i) closing of the Transaction; (ii) future uses of proceeds; and (iii) obtaining all necessary shareholder and regulatory approvals to the Transaction. Often, but not always, forward-looking statements or information can be identified by the use of words such as "will" or "projected" or variations of those words or statements that certain actions, events or results "will", "could", "are proposed to", "are planned to", "are expected to" or "are anticipated to" be taken, occur or be achieved.*

*Although management of the Company believes that the assumptions made and the expectations represented by all forward-looking statements or information are reasonable, there can be no assurance that a forward-looking statement or information herein will prove to be accurate. Forward-looking statements and information by their nature are based on assumptions and involve known and unknown risks, uncertainties and other factors which may cause the Company's actual results, performance or achievements, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements or information. These factors include, but are not limited to: risks associated with the business of the Company; business and economic conditions in the mining industry generally; the supply and demand for labour and other project inputs; changes in commodity prices; changes in interest and currency exchange rates; risks relating to inaccurate geological and engineering assumptions (including with respect to the tonnage, grade and recoverability of reserves and resources); risks relating to unanticipated operational difficulties (including failure of equipment or processes to operate in accordance with specifications or expectations, cost escalation, unavailability of materials and equipment, government action or delays in the receipt of government approvals, industrial disturbances or other job action, and unanticipated events related to health, safety and environmental matters); risks relating to adverse weather conditions; political risk and social unrest; changes in general economic conditions or conditions in the financial markets; and other risk factors as detailed from time to time in the Company's continuous disclosure documents filed with Canadian securities administrators. Strategic does not undertake to update any forward-looking information, except in accordance with applicable securities laws.*
